

# Oxbo 330/334 Mergers

In a continuing effort to maximize the overall product performance, Oxbo is now introducing a Front Conveyor Belt Seal Kit.

## Advantages

1. The Front Conveyor Belt Seals keep short fine stemmed alfalfa or grass hay from getting under the belt.
2. Wrapping on the conveyor rolls is reduced by the Front Conveyor Belt Seals.

### 67152 (330 Merger)
