

Oxbo Grape and Olive Harvesters

High Performance Catcher Plates

Why choose Oxbo high performance catchers?

- One of the most durable and long lasting catchers in the industry
- Retain their shape
- Improve fruit retention
- Easy to remove hardware for quick repair

Kit	Description	Model Used	Kit Includes

“I think you can get about 2000 hours out of them.”

“Even in the PICK ZONE, you can get multiple years without them breaking or wearing out.”

“These are the BEST catchers on the market!”
