

LED Lighting

In a continuing effort to offer the most technologically advanced products, Oxbo is now offering LED light options with Weatherpack or Deutsch connectors.

9 Watt Light

20 Watt Light

Advantages of upgrading to LED Lights

LED Lights offer...

- Superior **Visibility** with a clean bright white light.
- Extreme **Durability** with no breakable bulbs or filaments, saving money on replacement parts.
- Unmatched **Longevity** with a superior lifespan, outliving incandescent and halogen lights.
