## Slotted Bucket Conveyor Retrofit Kit

### for Lima Beans

In a continuing effort to offer the most up-to-date parts in the industry, OXBO is now offering a retrofit kit for the bucket conveyors on the PSC156 and 61xx Series Combines. The 69140 kit is designed for customers who harvest Peas and Lima Beans.

- This kit includes:**
- Bucket Chain Assembly
  - Brush Assembly
  - Brush Mounting Brackets
  - Bucket Conveyor Shielding
  - Vertical Chain Guides
  - Mounting Hardware
  - Installation Instructions

In the Lima Bean option, three screws hold the rubber joiner in place. Reducing the risk of the rubber joiner being pulled out.
