

TS2 Cutter Deck Extension

In a continuing effort to promote the most effective equipment, Oxbo is now offering a Cutter Deck Extension for the TS2. This extension offers nearly 3 inches of additional clearance to reduce the possibility of material plugging the cutter housing.

Part Number	Description	Overall Length
220946	PANEL,REAR,CUTTER,TS2	5.85 inches
230933	EXTENDED CUTTER HOUSING	8.79 inches
